EXHAUSTED
I can't believe they all loved it.
I fear the newspaper club's future if they'd publish something like this.
It's a completely ridiculous article...

This is just...
Why did it get so...

CLATTER
He...
Hereee...
Well, maybe she's just late...
Chatter...
Uh... um...
She's missing again this morning...
Hm? Is Sasami-san absent again?
Ooishi.
Here.

Saitou.
Here.

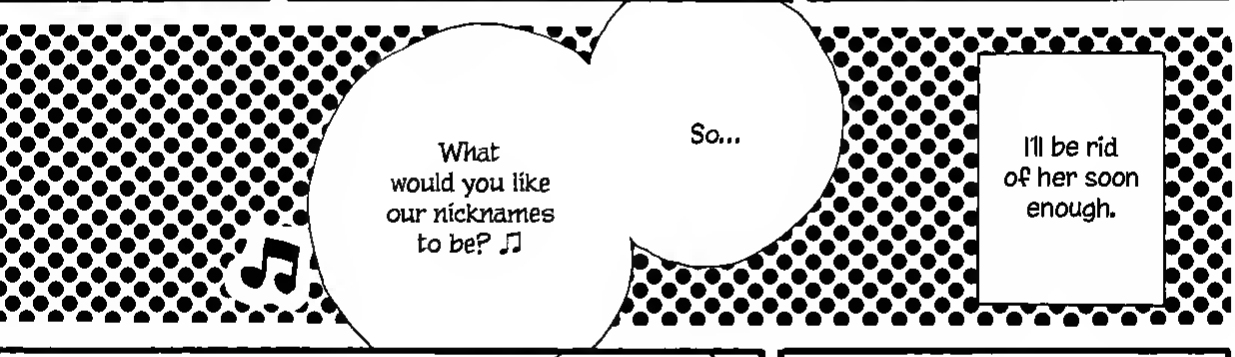
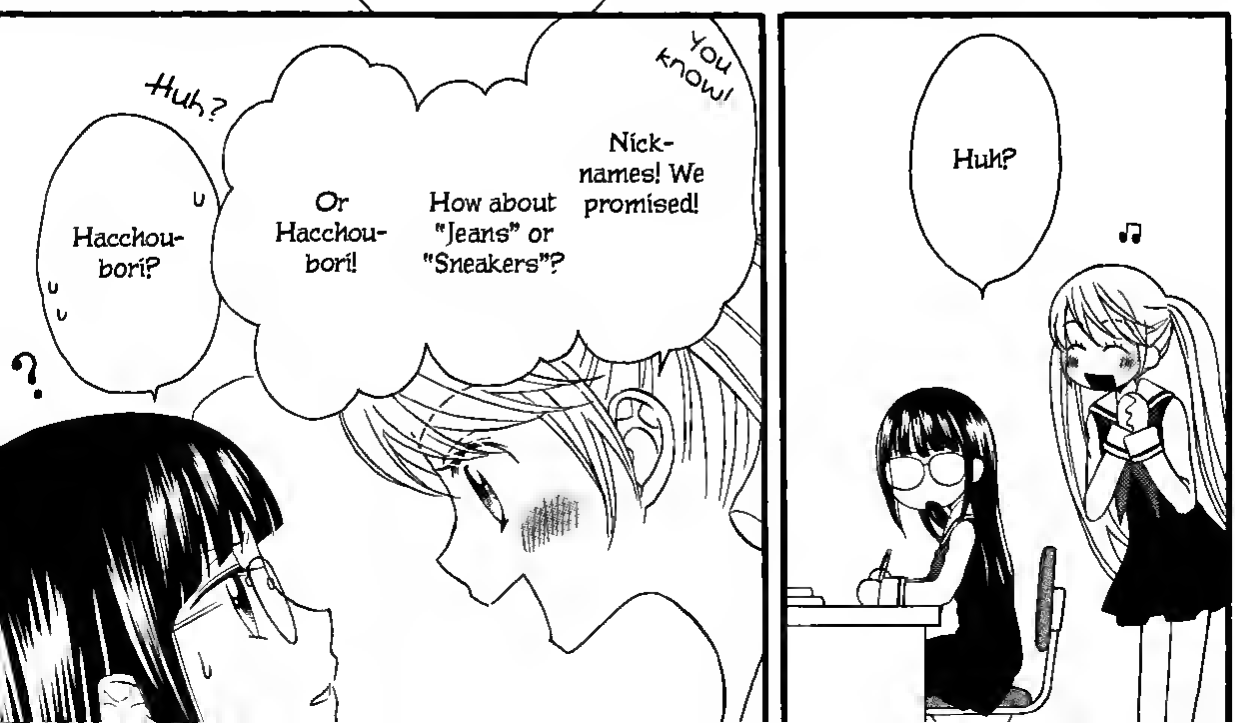
Sasami... Aoba...
Is here...
Haa
Haa
Haa
Sa...
Haa

I didn't even have time to do my hair...
But I ended up going back to sleep.
I thought I should try to get up earlier, so I set my alarm for 6 AM...

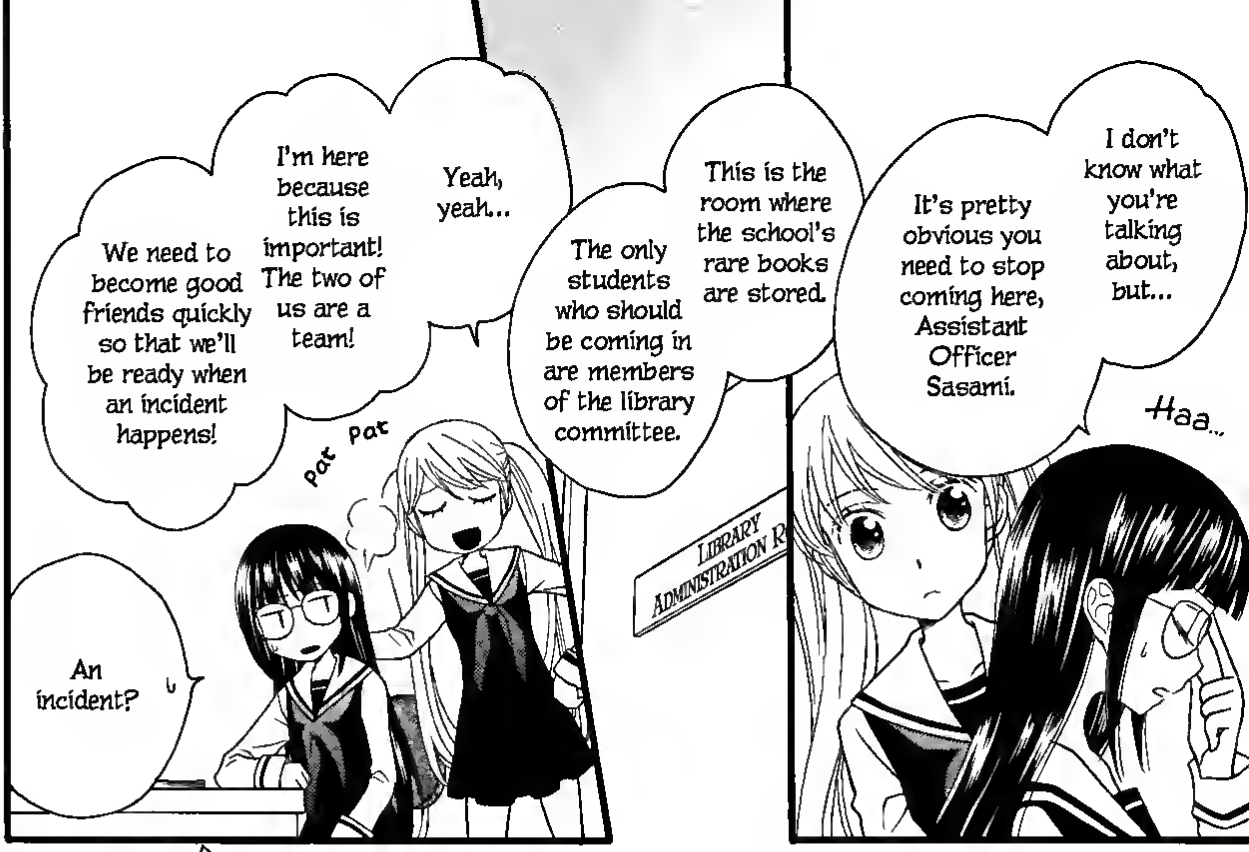
She's so reckless... she doesn't know anything at all...
Well... I guess I don't have to worry about her causing trouble anymore...
...
CHATTER
CHATTER
It's really long, though. How long have you been growing it out?
Since around my third year of elementary school, I think...
Let me touch it
You're cute even with your hair down.
It's good you managed to get here just in time.
Ah ha ha
WAI WAI



I'll be rid of her soon enough.
So...
What would you like our nicknames to be? ♫

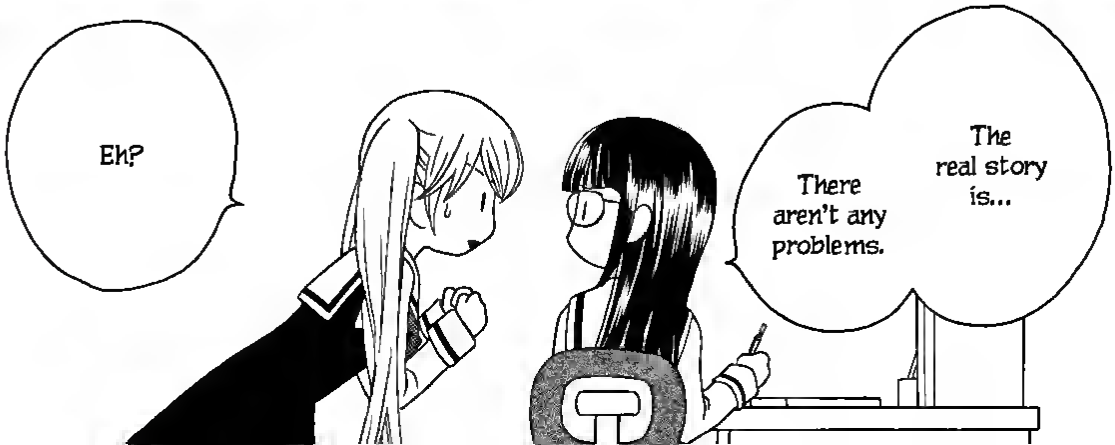


Huh?
Hacchou-bori?
Huh?
Or Hacchou-bori!
How about "Jeans" or "Sneakers"?
Nick-names! We promised!
You know!
Huh?
♫



I don't know what you're talking about, but...
Haa...
It's pretty obvious you need to stop coming here, Assistant Officer Sasami.
This is the room where the school's rare books are stored.
The only students who should be coming in are members of the library committee.
Yeah, yeah...
I'm here because this is important! The two of us are a team!
We need to become good friends quickly so that we'll be ready when an incident happens!
Pat pat
An incident?
LIBRARY ADMINISTRATION R

Of course! You wrote in your report that there weren't any problems at this school...
But...
What's the real story behind this school?
IT'S OKAY TO TELL ME! TOGETHER THE TWO OF US CAN SOLVE ANY PROBLEM!
CLENCH



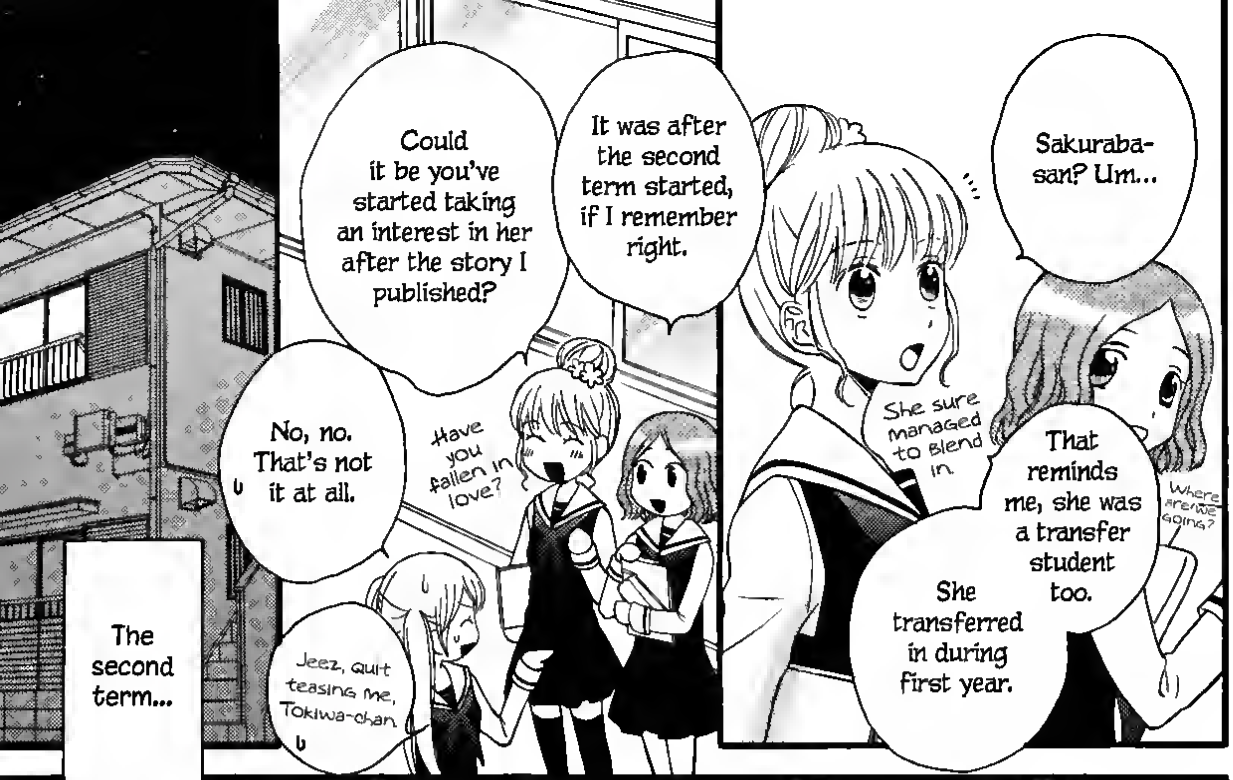
The real story is...
There aren't any problems.
Eh?

There really aren't any problems here.
This is a peaceful school.
clack
Besides...
Even though you're supposed to be my partner, you're saying such mean things...
No! This morning was just a one-off thing!
Irritated
How much use do you really think someone who can't even manage to get up in the morning would be?
But just for argument's sake, let's say something did happen.
What are you talking about?
R... reserve?
...
You're probably just here because you're being held in reserve.
I'm sure you'll be transferred once help is needed somewhere else.
Eh...

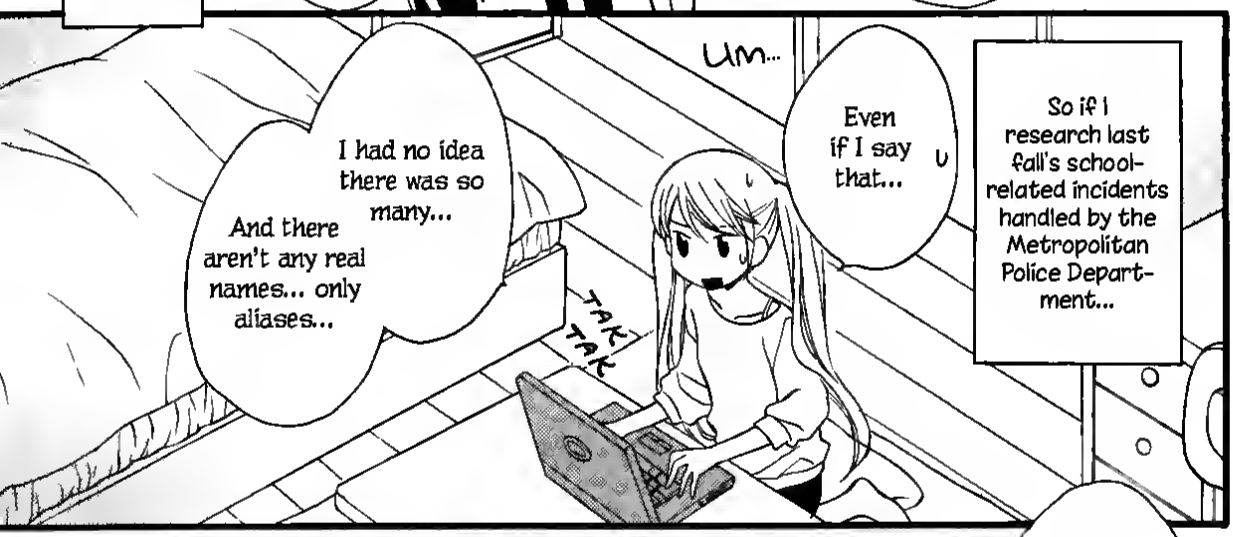
Haa...
My point is, you're just bothering me by following me around.
I'll tell you what's really going on.
Clatter
Eh?
In order to maintain the secrecy of the school police at schools where there ARE problems...
Once an incident occurs and the case is solved, the officers involved are transfered to different schools.
I know that much.
Is that why you're...?
?
Before I came here...
I worked as an officer at a different school...
Eh? For real!?
So after solving a case, you were transferred here?
Then, you're my senpai?!
...
It was... my first assignment...
But I ended up making a serious mistake...
And getting someone injured.

Eh...
We did manage to apprehend our target, but...
It was at too high a price...
In order to make sure I never got caught up in another terrible incident again...
I was transferred to this peaceful school.
Eh? You're here as punishment?
But even here, you aren't an ordinary student. You're still a member of the school police, right?
That's just what it looks like...
Because my father is in a position of power, even though I needed to be punished, I couldn't be expelled from the school police.
But he wanted to make sure his daughter wasn't assigned anywhere dangerous again.
So I was told I'd be assigned to this school until I graduate.
So your father is a police officer?
But, admitting that you got your position that way...
My father is...

The chief of the entire metropolitan police department.
!!
Here, I'm under his watch.
Locked up in a safe birdcage.
That's why you can be sure...
Too bad that your motivation is wasted, but that's how it is.
No way!
The school police no longer have anything to do with me.
This is definitely a school that will never have any problems.
Until you get reassigned...
There won't be any problems, so you should just stay calm and relax.



The second term...
Could it be you've started taking an interest in her after the story I published?
It was after the second term started, if I remember right.
No, no. That's not it at all.
Have you fallen in love?
Jeez, quit teasing me, Tokiwa-chan.
Sakuraba-san? Um...
She sure managed to blend in.
Where are we going?
That reminds me, she was a transfer student too.
She transferred in during first year.



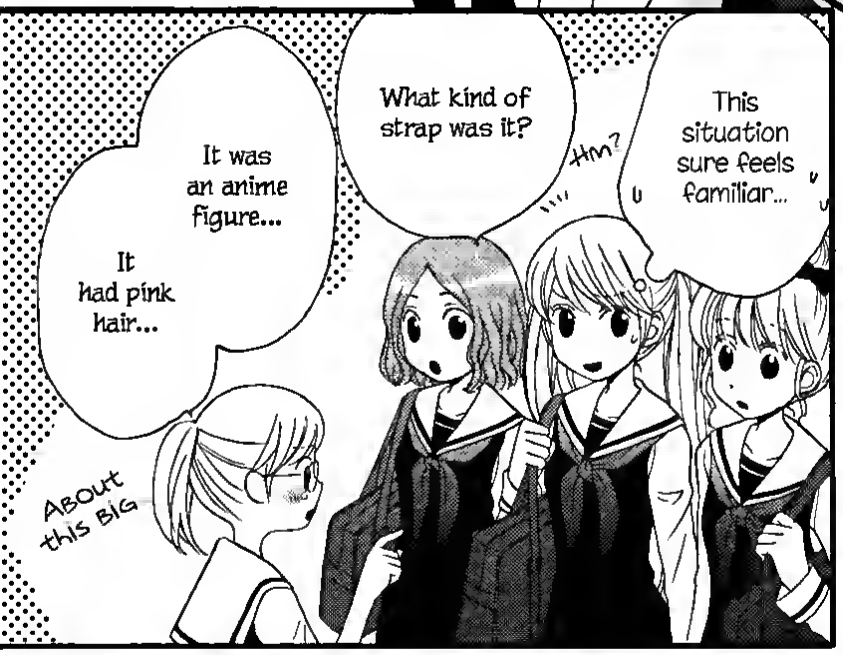
Um...
Even if I say that...
So if I research last fall's school-related incidents handled by the Metropolitan Police Department...
I had no idea there was so many...
And there aren't any real names... only aliases...
TAK TAK

The school police no longer have anything to do with me.

Just when I thought I could finally start doing police work...
FLOP
Haa... so I'm going to get transferred again?

To get this badge...
POLICE
She and I are similar...
We've probably both had to overcome a lot...
So she has a well-connected father...
But so do lots of people, but that doesn't mean they could join the School Police.
DING DONG
DING DONG
Because... I have no idea when I'm going to be transferred...
Hey, won't you join the newspaper club, Aoba-chan?
Is that so?
Um... I was thinking I'd get a part time job.
Pleeeease!
Umm
How are your clubs going?
I'm joining the handicrafts club.
Oh? That really suits you.
Hm?
Toh

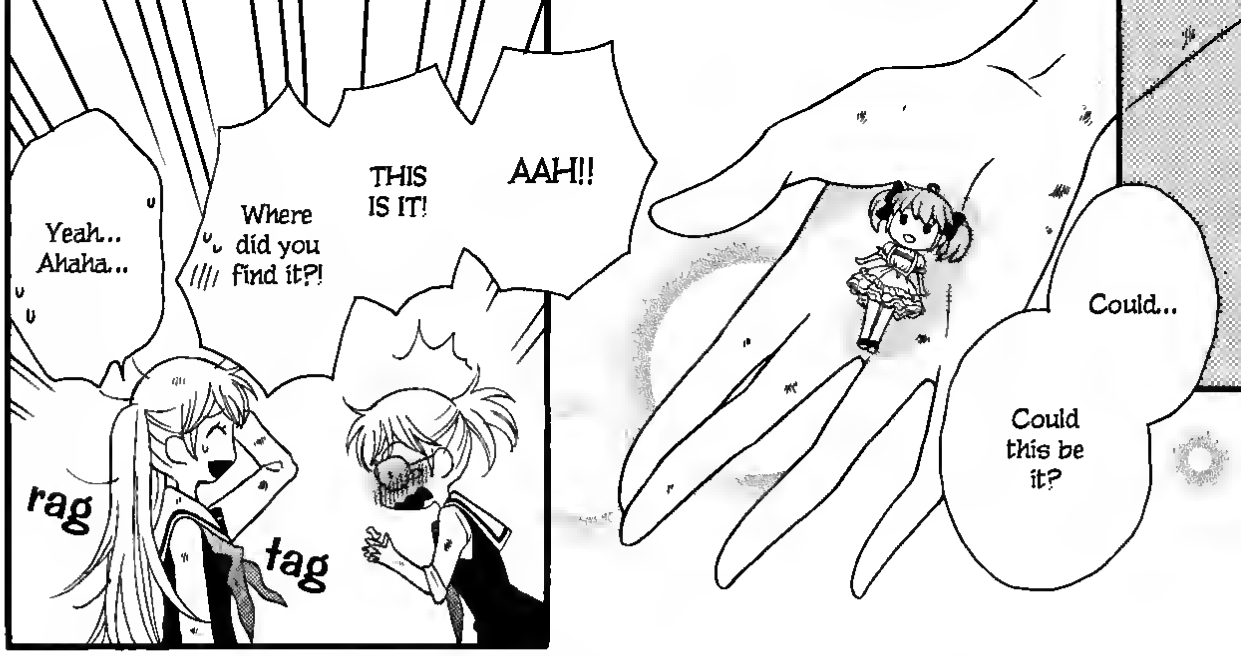
clatg
Ah... you're the yuri girl from the school newspaper...
Ahaha... I'm not actually like that.
clang
What's wrong?
Are you looking for something?
Ooh... you're a celebrity, Aoba-chan!



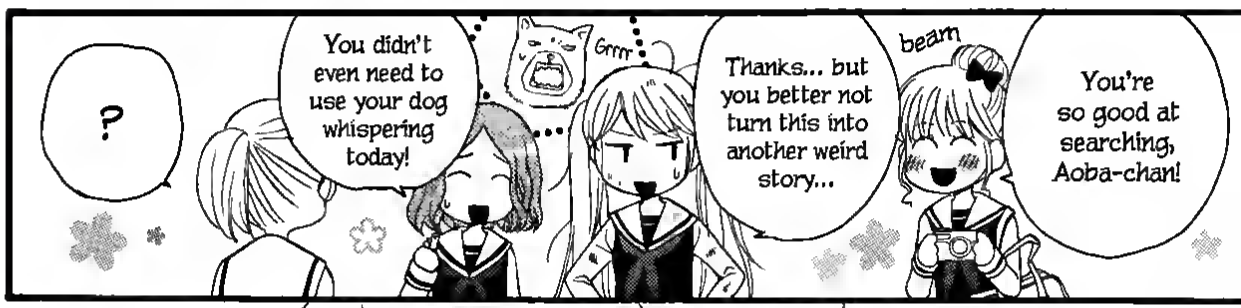
What kind of strap was it?
Hm?
This situation sure feels familiar...
It was an anime figure...
It had pink hair...
About this big

?
It really is...
Kind of a broad description...
That's...

Sniff
It seems I lost my phone strap...
And it was a rare special offer! ...And I had it this morning!



Could...
Could this be it?
AAH!!
THIS IS IT!
Where did you find it?!
Yeah... Ahaha...
rag
tag



You're so good at searching, Aoba-chan!
beam
Thanks... but you better not turn this into another weird story...
Grrrr
You didn't even need to use your dog whispering today!
?

Really, thank you so much...
Thank you...

That's it!
That's just fine with me.
We knew who the culprit was right away.
But even though we solved a problem back there, I can't really turn it into a story...
Jeez!
Even though I got a good photo
...!
Even if the dog hadn't been chained up, I still probably wouldn't have gotten a story out of it
You're right
THE NEXT DAY.
Looking around
Tap
Tap
!
Hey, cool it you two
KYAAAA!
Wah! Wah!
Huh?!
Wasn't that your fault too?!
What?! That doesn't make any sense!
You started with the lying!

It's not like anything's going to happen...
Maybe I should just call it a day and go home...
...
Somehow... it's just not coming together...
TAP TAP TAP TAP TAP TAP TAP
BAM!
SAKU-RABA-SAN!!
Hm?
What is it?!
THERE'S SOMETHING WRONG!!
IT'S NOT LIKE THAT THIS TIME!!
Sa... Sasami?!
You can't just burst in here...
How many times have I told you...
A FIGHT HAS BROKEN OUT IN THE SCHOOL!!
CLATTER
CHAPTER 3 [END]

A boring day. Every day since they shoved me to the sidelines like a main character in a Skumura manga. Not uncommon for an old high-school gumshoe like me. But something felt... darker today.
She walked into my life like one of the dames entering your favorite Yaoi manga near the end to ruin everything. She had bad news written all over her and I knew all my "I'm not like that" assurances wouldn't cut it this time.
It was at this point that I realize this wouldn't be a sim open and shut case. T was going to be a long se And unlike when reading idio saying "shoujo ai" unironically there wasn't an X button to get me out of my misery. My migraine increased and a cold shiver ran through me like a Pocari on a day at summer Comiket. Mornaga had it out for me. Was this imbecile really going to be my love interest?
DAMN!
